

**Champions
Retreat 2024**

Restore | *Marketplace Opportunity*

The Champions Retreat Marketplace is an onsite activation experience designed to showcase a variety of B Corp products and services. Through the Marketplace, conference attendees can meaningfully engage and interact with participating companies' offerings.

Participating companies are able to highlight their business practices and products to a captive audience of 700+ values-aligned leaders.

The Champions Retreat Marketplace is our sustainable alternative to the traditional conference swag or giveaway experience, allowing attendees to self-select items of their interest while minimizing waste.
